Grandma...

G... is for gathering the family for parties.
R... is for remembering happy times.
A... is for acting as a big part in my life.
N... is for telling me to never give up.
D... is for everyday you spent with me.
M... is for making me fill good when I was down.
A... is for always being there for me.

Obituary

It was already ordained that a baby girl would be born in Tuscaloosa, Alabama on November 6, 1922. Her parents would be Louvenia and Willie Hill. This little girl was named Pearlie Mae. What a beautiful spirit such an awesome child. She would soon grow up and be called "Mother". The spirit of this virtuous woman will fall upon many.

Pearl moved to California in 1943. She was introduced to Mr. Bert Abraham in 1944. They courted and married in 1945.

Pearl was very active in St. John Missionary Baptist Church. She started the Pastor's Aid for Pastor R.L. Johnson. She was a member of the Naomi Circle. She was the supervisor of the youth choir. She was always very active in the mission with the International Teas. She decorated the church for anniversaries and banquets. She was a member of S. John for 60 years.

Pearl is proceeded in death by her son, Donald and daughter Bernadine. She leaves to mourn her passing three sons; Michael Price, Marc and Brad Abraham, her daughter Paula Abraham, two daughters in-law, Debra Abraham and Laura Price. Twelve grandchildren and 19 great-grandchildren and a host of relatives and friends. Special love to Veda (Puddin') and Linda (Sweet Cakes).

Pearl will surely be missed but her sweet spirit will always be with us.
We Love You Mom!

Together Again

Acknowledgements

It is because you cared; You called or came by our home...
to share beautiful words of condolences, so we would not be alone.
You sent cards and made telephone calls...
to give words of comfort and words of prayer.
Your expressions... whichever they were... We're greateful indeed;
for it is friends and loved ones who share and care
that mde times like these easier to bare.
We appreciate your love and concern.
